**Order Adopting Report and
Recommendation and Dismissing Case**

[ECF No. 13]

10
11 After filing a fatally deficient complaint, failing to file an amended complaint, filing an
12 extended-time response to an order to show cause that could not be construed as an amended
13 complaint because it had the same fatal deficiencies as the first complaint, and being granted
14 leave to file an amended complaint, pro se plaintiff Mark Thomas, Jr., returned with another
15 motion to show cause that has been construed as an amended complaint.¹ After reviewing the
16 “amended complaint,” Magistrate Judge Foley recommends that I dismiss this case.²

17 The report and recommendation was entered August 30, 2017, making September 12,
18 2017, the deadline to file an objection. Thomas has not filed any objection to the report and
19 recommendation. “[N]o review is required of a magistrate judge’s report and recommendation
20 unless objections are filed.”³ Accordingly, with good cause appearing and no reason to delay, IT
21 IS HEREBY ORDERED that Magistrate Judge Foley’s report and recommendation [ECF No.
22 13] is **ACCEPTED and ADOPTED**; and this action is **DISMISSED**.
